Please keep the following information in mind when giving instructions to your athletes prior to the meets.

1. Access to the Field House will be 30 minutes **PRIOR TO THE STUDENT'S AGE CATEGORY.**
2. Coaches, athletes and children admitted free. **Coaches will sign in at the door.**
3. **Adult admission is \$5.00. Please inform your parents.**
4. No athletes will be allowed to compete without appropriate footwear. No bare feet.

Relay Coaches

1. If you, as a coach, have to substitute a runner from another team or school, you must inform the officials PRIOR to the race. This team may run unofficially, but may not advance. A team may run officially if the substituted runner is of the appropriate age and gender, and has not run on another team.
2. It is also inappropriate and unfair to the officials for a coach to declare their team as “running unofficially” AFTER the race or after the results are compiled. Deleting a team from the advancement after the advancement selection has been made causes a number of problems. First, it means changing all copies of the event sheets. Second, it means re-establishing the “next fastest teams”. And finally, it means that someone has to locate and inform a team to advance to the next level of competition. In some cases teams have already left for home when their heat was finished and they did not qualify.
3. Running in bare feet is a potentially dangerous situation for our students, especially with the increased number of students wearing track spikes. For this reason RUNNERS WILL NOT BE ALLOWED ON THE TRACK WITHOUT APPROPRIATE FOOTWEAR.
4. Passing zones are open ended.
5. The three bend stagger rule is in effect. (The first three runners must run in their assigned lane).
